In general, a moon journal is a structured type of diary that asks the user to write down their plans, moods, or daily tasks in the context of the moon's phase. Some may offer daily, weekly, or...

**Best Moon Journals & Planners For 2019 Lunar Calendar**

Take notes in your moon journal as often as you like! Journaling once a week will ensure that you hit one of each of the main phases of the moon: new moon, waxing moon, full moon, and waning moon. Moon journaling twice a month, on the full and new moon, can also be enlightening. Starting out, I suggest making a quick note in your moon journal for 30-60 consecutive days. Making a quick note ...
