I love Morrison  
and Boyd's book,  
i had the 6e  
which has very  
good but for the  
7e Pearson  
brought in an  
Indian author  
who removed some  
very good stuff

as it would not be important for competitive exams, so the book lost its charm, i agree that those stuff which was removed wasn't required for competitive examinations but thats where the book lost its

charm the 6e  
made organic

fun, this made

it not so fun,

its still a good

book but i got

disappointed.
