The updated, fifth edition of the widely used introductory Spanish textbook designed specifically for health care professionals Nurses, doctors, dentists, and other health care professionals increasingly need to communicate with patients in Spanish. Formerly titled An Introduction to Spanish for Health Care Workers, the fifth edition of this popular textbook is designed for students with little or no formal background in Spanish. It uses text, audio, video, classroom activities, and electronic exercises to teach basic grammar, specialized medical vocabulary, and colloquial terms as well as customs and communication styles. An interactive companion website features video clips that demonstrate practitioner-patient interactions and offers self-correcting exercises, an audio program, and flash cards. The fifth edition is also updated with - New topics,

PLAZAS: LUGAR DE ENCUENTROS, 5th Edition, is a two- or three-semester introductory Spanish program designed to support and enhance your students' language learning experience. PLAZAS transports your students to a Spanish-speaking country or region for an authentic and personalized cultural language-learning experience. Culture is embedded into every page of PLAZAS, giving your students an appreciation of different cultural practices and perspectives. Thanks to an exclusive partnership with the National Geographic Society, the fifth edition facilitates multi-modal interactions with cultural information in new and revised sections. The program's pedagogy continues to be firmly rooted in the research of the National Standards for Foreign Language Learning, or the Five Cs--Communication, Cultures, Connections, Comparisons, and Communities. The new A explorar! section draws upon all five standards in an engaging manner while previewing the content of the lesson.
