When I'm offered the chance to leave New York to live in London for three months, I can't pack my suitcase fast enough. As soon as I touch down I'm obsessing over red telephone boxes, palaces and all the black cabs. But my favorite place is the tube. It's wall-to-wall hot British men in suits. When I'm offered a temporary job working for a barrister, I say, sign me up. On my first commute into work, it's a total accident when I lose my balance and fall against the most handsome Brit alive. He's as charming as James Bond and as suave as Mr. Darcy. I want to lick tea from his hard abs and listen to his accent all night long. Turns out Mr. Handsome is my new boss. And his attitude isn't as hot as his gorgeous face, broad shoulders and tight ass. He's brooding, short-tempered and the most arrogant man I've ever met. As we're fighting, out of nowhere he kisses me. And I'm pretty sure I see fireworks over Big Ben and hear God Save the Queen. I wasn't looking for the fairytale but I might have found my knight in shining armor. The problem is he lives an ocean away. A stand-alone, contemporary romance. What others are saying about Louise Bay: "A fabulous, smouldering love story!" Kay Evans, NYT bestselling author "Isensely hot passion, and deliciously naughty and sweet characters. I devoured every page!" -New York Times Bestselling Author Lisa Renee Jones "Delivers both swoon-worthy and wickedly seductive moments that will have you desperate for more." -New York Times Bestselling Author Lisa Renee Jones "This book is deliciously HOT. I loved reading it." Layla Hagen, USA Today bestselling Author "Off the charts sexual tension and chemistry...I ravished every page!" -Audrey Carlan, #1 NYT Bestselling Author "A swoony hero with a British accent and a heroine you will root for. Don't miss this!" Jana Aston, NYT Bestselling Author "Hot sex, great banter, a cocky British boss and one of my favorite heroines to date. This book is a must-read and one of my favorite romances this year!" LJ Shen, USA Today Bestselling Author "Everything that a romance junkie could ever want in a contemporary romance. Once you start, there is not setting this sucker down. An absolute PAGE-TURNER." Shayna's Spicy Reads "Alexander and Violet stole my heart! Their chemistry rolls of the page. Seeing the broody and incredibly hot Brit falling for Violet made me swoon. If you love hot and romantic reads, then The British Knight is a MUST read." Layla Hagen, USA Today Bestselling Author "A funny, hot, and expertly crafted romance that was a joy to read." Guilty Pleasures Book Reviews "I loved every page. Red hot scenes, tender moments and the usual roller coaster of emotions Louise loves to instil in her works, that makes her books so exhilarating to read. A perfect 5 star read." Two Girls and Their Kindle "A hilariously funny and heart wrenching story that will pull at your heartstrings." Who Gives a Hoot Reviews "Beautifully written with the perfect balance of sugar and spice! Five beautiful stars!" Espresso Reviews "Like a really good rom-com movie except with really hot sex thrown in." Kitty Kats Crazy about Books "A brilliant read. Full of angst, with bites of humor and lots of steam, it also has a real sweetness about it. Another MUST READ from a really talented storyteller." Perusing Princesses "An amazing love story." She's a Lip Biter "Friends to lovers is a favorite trope of mine and this is right up there with the best of them." Tanja, KT Book Reviews "Just when I think her books can't get any better, she writes another one and it outshines the previous ones. This is a sweet and sexy, friends-to-lovers contemporary romance with all the feels -- heartwarming, breathtaking, and sexy all rolled into one interesting and intriguing plot." Tracey, Goodreads reviewer "If you love a good friends to lovers with a side helping of slow burn, this book is for you. Don't hesitate, grab it with both hands. Noah and Truly will steal your heart and you will let them gladly." In the twenty-first century, the romance genre has gained a growing academic response, including the creation of the International Association for the Study of Popular Romance. Popular romance has long been so ignored and maligned that seemingly every scholarly work on it opens with a lengthy defense of the genre and its value for academic study. Even the early scholarly works on the genre approach it in ways that, while primarily respectful, make sweeping generalizations about popular romance, its texts, and its readers. This essay collection examines the position of the romance genre in the twenty-first century, and the ways in which romance responds to and influences the culture and community in which it exists. Essays are divided into six sections, which cover the genre's relationship with masculinity, the importance of consent, historical romance, representation, social status and web-based romance fiction.
