Mr. Nosey learned a good lesson and is not so Nosey any more. Mr. Nosey does not encounter any of the other Mr. Men from the Mr. Men series in this book. He does meet several people from the local town. Of the Mr. Men books that I have read, I would recommend this one, it it not the best work by Roger Hargreaves, but it is near the top of the list. I would recommend Mr. Tall in addition to this one. If you do buy a Mr. Men book, then you should get a couple because they are very small.
