After planting the garden he has dreamed of for years, Mr. McGreely tries to find a way to keep some persistent bunnies from eating all his vegetables.

The irresistible sounds in this lively story are a big part of the fun of this slapstick comedy. After many years of wishing for a garden, Mr. McGreely finally plants one and eagerly awaits his fresh vegetables. A group of naughty bunnies discovers them first, however, and the hilarity is in the many obstacles that the farmer puts up-- and the rabbits find ways around! Children will gleefully join in the repetitive chorus of phrases and delight in the chase, all the way up to the surprise ending that will leave everyone feeling fine.

It's springtime and Mr McGreely can't wait to fill his tummy with the yummy, crispy, fresh veggies from his garden. But when the sun goes down and the moon comes up, three hungry bunnies appear - tippy, tippy, tippy! Pat! Muncha! Muncha! Muncha! Dash! Dash! - Nibbled leaves and empty stalks! Needless to say Mr McGreely is very angry and sets about building fences, walls and trenches to keep those persistant bunnies out of his garden.

Knocka-knocka-knocka! That's the sound of three little bunnies on Mr. McGreely's doorstep, begging to come inside for the winter. But while Mr. McGreely shared his carrots with the bunnies last summer, he

has no intention of sharing his house! So... Hammer Bam! Smack Slam! That's the sound of Mr. McGreely boarding up his windows to keep the bunnies out in the cold where they belong! The trouble is, no matter what Mr. McGreely does, the pesky puffedails have a way of sneaking inside -- and taking his things to make a warm, cozy nest for themselves. Will Mr. McGreely ever get the best of these infuriating floppers? The three wily bunnies from Muncha! Muncha! Muncha! return in a sequel that's even funnier than their first adventure.

Take a bite out of this deliciously funny original fairy tale, which received four starred reviews and was named a Best Book of the Year by Booklist, School Library Journal, Kirkus Reviews, and the Bank Street College of Education. What would you do if you were invited to the princess's tenth birthday party but didn't have money for a gift? Well, clever Jack decides to bake the princess a cake. Now he just has to get it to the castle in one piece. What could possibly go wrong? Candace Fleming and G. Brian Karas, creators of the bestselling picture book Muncha! Muncha! Muncha!, have teamed up again to bring us a modern fairy tale starring a determined boy and a story-loving princess with a good sense of humor. While girls will fall for a story featuring a princess's birthday party, Jack's adventures with trolls, bears, and gypsies make this the perfect read for young boys as well -- and ideal for storytime.

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job -- pointy teeth, sharp claws, and a long tail -- but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily. Little does he know, the bunnies have stowed away in his backseat! He also hadn't known that the rascally rabbits have mad surfing and kite flying skills. His annoyance is at sunstroke level -- until he sees a sign for a sandcastle-making contest, and realizes that teaming up with the pesky puffedails might just have some benefits.
