Bookchin is fantastic. His only problem is that he's too much of a lefty to be a realist (his criticisms of Chomsky for example seem to centre on him having a problem with the more famous man deigning to say that this or that imperfect social setup is less detrimental; communism is not going to happen any time soon - federalism and social services provided by the state might tho).

Murray Bookchin - libcom.org

Murray Bookchin's Libertarian Municipalism is an attempt to bring up to date the historical legacy of those directly democratic organs of self-management that were thrown up in times of struggle by the

working class. It suggests the potential of moving towards a non-market economy with no separation between economic and political democracy.

Municipalization: Community Ownership of the Economy

“The very notion of the domination of nature by man stems from the very real domination of human by human.” With this succinct formulation, Murray Bookchin launches his most ambitious work, *The Ecology of Freedom*. An engaging and extremely readable book of breathtaking scope, its inspired synthesis of ecology, anthropology and political theory traces our conflicting legacies of hierarchy and freedom from the

In the essays that make up this book, Murray Bookchin calls for a critical social standpoint that transcends both "biocentrism" and "ecocentrism." A call for new politics and ethics of complementarity, in which people, fighting for a free, nonhierarchical, and cooperative society, begin to play a creative role in natural evolution.

socialist, and ecological thought.

Murray Bookchin - Wikipedia

Murray Bookchin introduces provocative ideas about the nature of community and what it means to be a fully empowered citizen. He believes that the tensions that exists between rural and urban society can be a vital source of human creativity, thereby defining a new, richly imaginative politics which can help us recover the power of the individual, restore the positive values and quality of ...
