Le frecce della gioventù che attraversano la vita, esponendo la bellezza al mondo, tra milioni di luci e ombre, per le strade dell'universo, hanno avuto come semplice obiettivo quello di nutrirsi di buon cinema e di ottime note pop rock. La forza dell'anima che osservava le stelle degli anni '70, '80, '90 è stata capace di trasformare il veleno in cristallo puro. La meraviglia di esistere rappresentava il principio di quegli anni di gloria, esaltando i sorrisi della nostra esistenza. Tutto ciò veniva reso magico da popstar come M. Jackson, Prince, Madonna, da geni come Lennon, Mercury, Bowie e da band come Bee Gees, Duran Duran, Spandau Ballet. E poi da rock star come Vasco, Ligabue, Pelù, Nannini e da altri artisti italiani come Renato Zero, Jovanotti, Battisti. Non potevano mancare perle del cinema e della tv come "Beverly Hills 90210", "La febbre del sabato sera", "Pulp Fiction", "Grease", "Happy Days", "Hazzard". Il tutto veniva arricchito da eventi che hanno cambiato un'epoca come l'uccisione di John Lennon, la caduta del muro di Berlino, i casi "Pasolini" e "Moro", le morti celebri di Rino Gaetano, Kurt Cobain, Versace e Diana.

This collection of essays focuses on addressing the imaginative wake of the rebellious late 1960s, with a particular, but not exclusive, focus on word-and-image relations. The volume showcases and discusses the impact of such processes on literature and the arts of that mythologized historical period. It explores the impact of its defining causes, hopes and regrets on the creative imagination. The awakening moment for that extraordinary momentous period in the global socio-political memory was May 1968, which came to be seen as the culmination and epitome of a series of processes involving protest, and the affirmation of previously silent or subaltern causes. Such processes and causes were predicated on challenges to established powers and mindsets, and hence on demands for change, which have had rich consequences in literature and the arts.

Reisgids van de Spaanse hoofdstad met praktische informatie over hotels, restaurants, winkels, musea en bezienswaardigheden.

Esta publicación tiene como finalidad principal abordar la reflexión sobre el enfoque que ha de darse en el área de música de la etapa de Educación Secundaria Obligatoria tomando en consideración, tanto algunos de los acontecimientos que han afectado al mundo de la música y de la educación musical, como los planteamientos de un nuevo currículo que responda a los desafíos planteados por dichos acontecimientos. El libro procura contribuir a la actualización didáctica del profesorado y al acercamiento a nuevas realidades que le permitan replantear el sentido y la finalidad de una educación musical. Los autores que han colaborado en el libro intentan aproximar al lector a una visión clara y un plan de acción de mejora a través del análisis de las TIC en el aula de música, el diseño de estrategias musicales, análisis de perspectivas de futuro y análisis de la diversidad de culturas musicales en la ESO.

Def Leppard's unstoppable, anthemic hard rock has earned it sales of more than 65 million albums worldwide and a legion of dedicated fans. This fully authorized visual history of the band follows them from the new wave of British heavy metal to their massive Pyromania and Hysteria albums to the sustained power of their records and tours today. Legendary rock photographer Ross Halfin has been shooting Def Leppard since 1978, and his candid and definitive pictures have helped capture and shape the image of the band. Def Leppard includes more than 450 classic and unseen photographs, along with text from Halfin and stories and commentary by the band members and others.

La prima opera italiana che, a 60 anni esatti dalla nascita, celebra la storia della musica che ha cambiato il nostro mondo. Dalle radici folk e blues all'avvento di Elvis, dalla Swinging London di Beatles e Rolling Stones alla San Francisco psichedelica, dalla rivoluzione punk al "fragore del metallo" sino al nichilismo grunge e ai suoni del nuovo Millennio. Il rock è un'arte straordinaria, una delle più rilevanti e influenti del secolo scorso. Ma anche una delle forme d'espressione più rivoluzionarie mai concepite dagli esseri umani. Perché il rock non è stato soltanto ritmo e melodia: nuove mode, stili di vita innovativi, filosofie di pensiero alternative, arti, culture e controculture sono state influenzate o addirittura generate da questa formidabile miscela sonora. Una blend acustica nata a metà del '900 dall'incrocio tra la cultura nordamericana bianca e quella afroamericana, fenomenale mix di folk e blues che ancora oggi è in grado di affascinare il mondo intero. Come le sue "radici" sono lì a testimoniarlo, il rock è una forma d'arte popolare. E, come tale, deve essere analizzato tenendo così conto del tempo, del luogo e del contesto socio-culturale da cui è emerso. Ecco perché quest'opera, la prima in Italia come unicità e completezza, traccia un percorso per "momenti", "scene" e "fenomeni" piuttosto che concentrarsi sulle bio-discografie (per altro presenti) dei protagonisti o seguire un percorso strettamente cronologico.

Provides an illustrated guide to salsa music and its history, with sections on the musical styles, dances, and performers within the genre, as well as a bibliography and discography.
