The study of postdramatic theatre also brings the musicality of theatre to the foreground. According to Eleni Varopoulou, quoted in *Postdramatic Theatre*, musicality in theatre "is not a matter of the evident role of music and of music theatre, but rather a more profound idea of theatre as music." Musicalization in postdramatic theatre does not only concern language but all theatrical means (Lehmann 91).

Notes on Light: The Musicality of Light and Theatre ...

Theatre music is all music composed to govern, enhance, or support a theatrical conception. Music composed for theatrical purposes obeys different laws than does the music for concert performance or conventional opera. Whereas in opera the music dictates the form in which the dramatic visual imagery is presented and governs its development, in other kinds of theatre the music is, at best, an equal partner among its principal elements.

In attempts to understand music better, we turn instead to the narrative arts, speaking of the "story" of a musical piece. This book focuses on two examples of such conceptual mirror reflexivity: narrativity in jazz music and musicality in spoken theatre. These intermedial metaphors are shown to be significant to the practice and reflection of performing artists through their ability to mediate holistic views of what is considered to be of crucial importance in artistic practice ...

Musicality could be loosely described as a dancer's unique emotional and intellectual relationship to a piece of music, as expressed in their execution of choreography. "I connect musicality to rhythm, phrasing, tonality and mood—all these elements that allow the body to inhabit music from the inside out," says Atlanta Ballet choreographer in residence Claudia Schreier .
