MY CAR IN MANAGUA stands out like a lighthouse on a dark stormy night. An eminently reasonable man spent a lot of time there and wrote an academic study of the place. This is not it. Colburn captures the flavor of Nicaragua in those tumultuous years here, describing daily life and survival tactics in easily-flowing prose.

My Car In Managua When I first started at UD, I took a class on Latin American history and had to read a book called "My Car In Managua." Now, I definitely do not remember much about the story at this point BUT I have always felt since then that going to Nicaragua really isn't something I wanted to do (all the other stuff aside).
