Answers Manual is available separately, giving instructors the option of allowing students to check their homework. The Answer Key now includes answers to all SAM activities.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded

Answers presents a complete inventory of all the major interlingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website: <https://rowman.com/ISBN/9780761863755/Bilingual-Grammar-of-English-Spanish-Syntax-With-Exercises-and-a-Glossary-of-Grammatical-Terms-3rd-Edition>

Gente is the only truly task-based program that transports you, the learner, into an immersive environment. Learners interact with authentic language from the

Hispanic world through a series of carefully-sequenced communicative activities culminating in a real-life task.

“ Tasks ” are collaborative projects that integrate speaking, listening, reading and writing to complete them with the skills that are needed to communicate effectively in the real world! With Gente , you learn by doing, communicate with a purpose and emerge as an independent learner with the confidence to speak Spanish in a spontaneous, natural way.

A separate Answer Key to the Student Activities Manual is available for instructors who want students to check their own work.

This present technology-rich, content-oriented Spanish conversation program helps students reach the Intermediate-High level of oral proficiency as defined by the American Council on the Teaching of Foreign Languages (ACTFL). Appropriate for one semester courses taught at most colleges and universities, Charlemos: Conversaciones prácticas consolidates Intermediate-level communication skills and introduces students to the features of the Advanced level through input processing and abundant contextualized speaking practice. The program makes extensive use of multi-media and

web technologies to deliver a dynamic and up-to-date learning experience that fosters language acquisition and oral skill development. Highly engaging, authentic video segments are offered as linguistic input to develop comprehension and grammatical skills. Online tutorials and an award winning multi-media platform are deployed to facilitate contextualized practice and skill-application beyond the classroom. The Versant Spanish Test is just one of the unique capstone experiences that enables learners to obtain an objective proficiency rating of their speaking skills at the end of the course.
