Dealing with toxic people is something we all have to confront in our lives at one point or another. Narcissists, compulsive liars, sociopaths, manipulators, gossipers, and those wallowing in self-pity are just a few examples of toxic people. Toxic people always find a way of worming their way into people's lives, and creating drama and anarchy in order to manipulate a social circle to suit their needs.

### 15 Ways Clever People Handle Toxic People

People aren't mean for the sport of it, or because they are against you; people are mean to cope. Being unkind, more often than not, is a reaction to anger with ourselves or our perceived inadequacy. When I was rude to other people, it was because I was afraid they wouldn't like the nice me. I didn't mind if they were angry at the fake ...
