~~NBDHE General Information~~

The purpose of the National Board Examinations is to assist state boards in determining qualifications of dentists and dental hygienists who seek licensure to practice dentistry or dental hygiene. These examinations assess candidates' ability to understand important information from basic biomedical and dental sciences and also the ability to apply such information in a problem-solving context.

~~National Board Dental Examinations~~

The purpose of the National Board Examinations (Part I, Part II, and Dental Hygiene) is to assist state boards in determining qualifications of dentists and dental hygienists who seek licensure to practice dentistry and dental hygiene. These examinations assess the ability to understand
