Naturopathic Physical Medicine - Free ebook - Leon Chaitow

Naturopathic Physical Medicine is an excellent introduction to naturopathic thinking for anyone involved in manual therapy and contains a detailed history of the use of manual methods in naturopathy, as well as an informative overview of the role of hydrotherapy in the naturopathic approach to health. Throughout the book, physical medicine approaches are discussed in the context of naturopathic considerations relating to the body's inherent tendency to self-regulation and adaptation.
