Neverness (A Requiem for... Zindell

Neverness is a science fiction novel by American writer David Zindell, published in 1988; it is based on a 1985 novelette entitled "Shanidar". Neverness concerns a far-future world where mathematicians have become a kind of caste or religious order, because of their abilities to do the calculations needed for space travel. It follows the deeds of Mallory Ringess, as he discovers secrets and ...

This is the last in the Requiem for Homo Sapiens trilogy, following *The Broken God* and *The Wild*. Danlo Ringess has returned to Thiells from his successful explorations of the Wild, bringing the bad news that the Iviomils, the fundamentalist wing of the Edeic Architect religion, have stolen a spaceship and the device that makes a star go supernova, and with it are likely to attack Neverness.

Neverness (A Requiem for Homo
Sapiens, #0) by David Zindell While I
prefer the Requiem for Homo Sapiens
(the trilogy that follows this),
Neverness is an excellent introduction
into the world of Icefall and the Order
of Mystic Mathematicians and Other
Seekers of the Ineffable Flame.
