Visit a Vietnam few have seen with boisterous seven-year-old Sean and his family. They Don't Speak English Here captures the experiences of Sean Little as he and his parents travel to the central highlands of Vietnam to visit their “ adopted family. ” Told through Sean's journal entries, the trip shows us how a family shares generosity, humor, heartbreak, and love with a foreign culture. Sean Little's innocent perspective gives us the chance to see a country and a people through eyes that know nothing of the complex history that exists between two countries.

Bryson ‘ Jon Sopel nails it ’ – Emily Maitlis \*\*With a brand new chapter, charting Trump's first year in power\*\* As the BBC ’ s North America Editor, Jon Sopel has had a pretty busy time of it lately. In the time it ’ s taken for a reality star to go from laughing stock to leader of the free world, Jon has travelled the length and breadth of the United States, experiencing it from a perspective that most of us could only dream of: he has flown aboard Air Force One, interviewed President Obama and has even been described as ‘ a beauty ’ by none other than Donald Trump. Through music, film, literature, TV and even through the food we eat and the clothes that we wear we all have a highly developed sense of what America

is and through our shared, tangled history we claim a special relationship. But America today feels about as alien a country as you could imagine. It is fearful, angry and impatient for change. In this fascinating, insightful portrait of American life and politics, Jon Sopel sets out to answer our questions about a country that once stood for the grandest of dreams, but which is now mired in a storm of political extremism, racial division and increasingly perverse beliefs.

know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her.

Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has

between Syracuse and Buffalo, the author was suddenly confronted with the necessity of moving herself and all her familys worldly possessions to a little town in Belgium. She was ready for this. Or so she thought. Given her propensity to attract trouble (think Lucy Ricardo!), the authors great naivete leads her into many comic misadventures ranging from her attempt to smuggle thousands of dollars in pesetas through Spanish customs for a friend, introducing the Mexican ambassador to a roomful of people by the wrong name (a faux pas that haunts her to this day), and finding her car missing in London when she goes on a wild shopping spree. Her husband once said that everytime she walks out the door, he

wonders if hell ever see her again. And with good reason. But there are poignant and heartrending moments, as well, such as a never-to-be-forgotten moment at Luxembourg War Memorial Cemetery, and the gut-wrenching events that unfold at the infamous Berlin Wall. When the author finally returns stateside at the end of her husbands assignment, she was more savoir-fair and wordly-wise than when she came. Or was she? Even she is surprised by the answer to that question.
