In this story, Ishiguro captures the main theme of the entire collection, that music is an ideal state which has no connection to the realities of life. This collection is subtitled ' Five Stories of Music and Nightfall ' and all the stories are connected directly to music, but not all take place at nightfall. Yet they all explore a sense of

Nocturnes – – Ishiguro's first collection of short fiction, after half a dozen novels – – offers, as the subtitle puts it, 'five stories of music and nightfall.' Indeed, four of the five pieces here concern musicians, while the fifth features a couple both united and separated by a shared love of song ...the nightfall Ishiguro has in mind is more metaphorical: the encroachment of the darkness of age, and the dimming of the hopes of youth, set in counterpoint against those whose ...
