Oil-Upton Sinclair

Oil! is a novel by Upton Sinclair, first published in 1926–27 and told as a third-person narrative, with only the opening pages written in the first person. The book was written in the context of the Harding administration's Teapot Dome Scandal and takes place in Southern California. It is a social and political satire skewering the human foibles of all its characters. The main character is ...

Upton Sinclair fashioned a novel out of the oil scandals of the Harding administration, providing in the process a detailed picture of the development of the oil industry in Southern California. Bribery of public officials, class warfare, and international rivalry over oil production are the context for Sinclair's story of a genial independent oil developer and his In Oil!

Oil! by **Upton Sinclair** — **Goodreads**
The much ballyhooed movie There Will Be Blood is supposedly based upon Upton Sinclair’s 1927 novel Oil!, but it surely miscasts Sinclair’s focus and technique. The movie limits itself to a study of a manic, ruthless oil prospector, more a personality study, but the novel is a much wider socialist attack on corporate power and labor suppression, top-to-bottom government corruption, and ...
