The early settlers were mostly sheepherders and at one time the sheep population numbered 100,000. The wool from the sheep made Concho the sheep kingdom of Arizona. The history and folklore written in this book have been passed down from generation to generation. In Old Concho History and Folklore, the author has compiled a collection of these stories.*

Old Concho: History and Folklore: Baca, Pauline ...

from New Mexico who settled Concho, Arizona, their relatives, and those who follow their ways - the Concho people of the Santo Nino - are a folk culture. Their shared history, their sense of identity, and their folklore distinguish them and their stories - and they narrate their lives and their sense of place. This is their story in outline.

During the 1960s, the Cocho Stone was repeatedly damaged by vandals, as well as by people walking all over it. So in 1964, Glasgow University archaeologists recommended it be buried to protect it from further damage. The stone has been buried ever since and is now covered by vegetation and surrounded by trees.

History. Originally Concho was formed as a Spanish Basque community in the late 1860s. A group of Latter-Day Saints led by William J. Flake arrived in 1879 after Flake and Bateman H. Wilhelm purchased some of the land from José Francisco Chaves under the direction of Apostle Erastus Snow.

Concho, Arizona - Wikipedia

An old Irish legend of Ulster tells of Macha, a mysterious woman rumoured to be magic, who was forced to run against the king's horses while pregnant to pay for her husband's crimes. The pain she suffered caused her to cast a curse on the men of the town, who were said to suffer labour pains for nine decades following.

The history: The Anglo-Saxon historian John Blair has investigated these early tales of English vampires as recorded in various chronicles: he suggests that the huge upheaval in English society brought about by the Norman Conquest and its aftermath led people to feel that nothing was certain anymore: that the very boundaries between life and death were no longer as rigid as they once were. Certainly, fewer stories of the undead are recorded after 1200, by which time the changes wrought by ...
