Anyone can make enough to save \$1,000,000 in 3-7 years. Most self-made millionaires are made through business ownership. Many people think about it but never take action, they do not have an idea, they do not have the money, and flat just do not know how. This is a practical book to teach you how to find, start, finance, and get free advice to own and grow your own business. For example, a

Financial Inclusion and the Fintech Revolution includes updated indicators on access to and use of formal and informal financial services. It has additional data on the use of financial technology (or fintech), including the use of mobile phones and the Internet to conduct financial transactions. The data reveal opportunities to expand access to financial services among people who do not have an account—the unbanked—as well as to promote greater use of digital financial services among those who do have an account. The Global Findex database has become a

Banking in Illinois The
Commercial National had
built its deposit account up
to fifty million dollars,
without merger or
consolidation when on
September 1, 1909, it took
over the Bankers National
Bank. The Bankers National
Bank was a prominent
institution and had deposits
in excess of twenty million
dollars, As a part of this
consolidation plan the
capital-stock of the
Commercial National was
increased to seven million
dollars. The Bankers
National made, therefore, an
important addition to the
components of what

subsequently became the Continental and Commercial National Bank. On April 1, 1910, the capital stock of the Conimercial National Bank was increased to eight million dollars. At the same time the Commercial Trust and Savings Bank was organized with capital of one million dollars. Early in 1910 negotiations were opened by the Continental Bank's officials with the directors of the Commercial National Bank with a view to unifying these two interests. The negotiations were brought to a successful conclusion and on August 1, 1910, the Continental National Bank and the

of the Continental and
Commercial National Bank of
Chicago. The new bank had a
capital of twenty million
dollars and surplus of ten
million dollars. The number
of banks which were
consolidated or merged
before the final
consolidation of interests
August 1, 1910, had been
reduced to four major units
in the year preceding. The
four institutions were the
Continental National Bank,
the Commercial National
Bank, the Commercial Trust
and Savings Bank and the
American Trust and Savings
Bank. As a part of the

general merger the American Trust and Savings Bank and the Commercial Trust and Savings Bank were

consolidated under the name of Continental and Commercial Trust and Savings Bank. The capital stock of this institution was owned by the stockholders of the National Bank. Thus the union of national and state bank - of commercial, savings, trust and investment business - was insured.
