crash down, making him dangerously unbalanced and prone to massive, dangerous mood swings. He is a deeply conflicted man. Wanting his "possession" but wavering between protecting and worshipping "it." This, in turn, leaves the reader and Livy somewhat in limbo.

One night denied Very complex story that has you listening to the end , not a story to listen to in the car as you get to carried away within the story being told but definitely one to be at home with.

One Night: Denied was a little bit of a let down. I found it long, repetitive and at times confusing. Twice I flipped back pages to see if I missed something cause the scene switched.
