Orchids In The Moonlight

When orchids bloom in the
moonlight And lovers vow to
be true I still can dream in
the moonlight Of one dear
night that we knew When
orchids fade in the dawning

File Type PDF Orchids In The Moonlight

They speak of tears and good-
bye Though my dreams are
shattered Like the petals
scattered Still my love can
never die.

Description. A subtle,
artistic composition of
shell, coloured in shades of

orchid, teal and white, with painted ceramic beads.

Embrace natural forms with the hand-dyed shapes across this beaded necklace, featuring textural interest for styling that's as creative as it is inspiring.

File Type PDF Orchids In The Moonlight

Keep your piece of jewellery looking its best by avoiding contact with alcohol-based products, such as perfume or sunscreen, as these products will cause the hand-dyed beads to transfer or lose colour.
