The first organ used in the present Chapel building was one which had already been in use in the old chapel of King's Hall, and was moved here in 1563. Hugh Rose was employed to build a new organ which was completed in 1596. In 1610 John Yorke repaired and improved "the ould orgaine", and also made "a new chaire orgaine".

Organ - history - Trinity College Chapel

Trinity College's organ was built in Hartford and contains 4,416 pipes—the largest are the size of trees and the smallest are the size of pencils. photo: Len Levasseur Clarence Watters (Professor of Music and Trinity College organist from 1932-1969) was consultant for the college's pipe organ, installed in 1971 by Austin Organs, Inc. of Hartford, Connecticut.

The Organ - Spiritual and Religious Life

The chapel has been changed little since it was built. The stained glass was added in 1885, the gift of the then Bursar, later President, Henry Woods. The organ, and organ loft, were installed in the 1960s. The Chapel of Trinity College Oxford – Martin Kemp (Scala, 2013)

Trinity College Chapel - organ

The chapel has a fine organ, originally built by "Father" Smith in 1694. Many alterations were made over the years until, in 1913, an almost totally new organ was built. Some of the pipes were so large that they would not fit in the organ loft and instead had to stand in a corner of the ante-chapel.

Trinity College Chapel, Cambridge - Wikipedia

It was built at the end of the seventeenth century on the site of Trinity's first chapel, the former Durham College chapel, which was consecrated over 600 years ago. It continues to be a place of worship and a space at the heart of the college where people come to pray, to sit quietly, listen to or play music, and enjoy its beauty.

A Building To Love Without Reserve¹ That was the goal of the Chapel's donor, William Gwynn Mather, class of 1877 —and the architect chosen to achieve that lofty height was Philip Hubert Frohman, principal architect of the Washington National Cathedral. In creating the Trinity College Chapel, Frohman sought not merely the enclosure of space, but [...]

Trinity College Chapel - Spiritual and Religious Life

The purpose of the Festival is to enhance the area of organ education--both to support young people studying the organ and to increase general appreciation for organ music of the past and present. In 2015, Trinity College Chapel became the official home of the Festival after eighteen years at the beautiful and historic First Church of Christ in Wethersfield, Connecticut, with its magnificent Austin pipe organ.
