1 Review. With its conversational writing style, cutting-edge content, current examples, the three-level integrative model, dialogues, and technological learning tools, "Organizational Behavior" remains the global book, used by more readers interested in the topic than any other since 1979. The 12th edition retains all of the best features of the previous editions, yet adds much more: contemporary issues and research have been included into a seamless, whole, and comprehensive tome.
