Cold War II. The origins of the Cold War involved the breakdown of relations between the Soviet Union and its satellites and the United States and its allies in the years 1945–1949. The origins derive from diplomatic (and occasional military) confrontations stretching back decades, followed by the issue of political boundaries in Central Europe and non-democratic control of the East by the Soviet Army.

Origins of the Cold War - Wikipedia

The origins of the Cold War can be traced back to the Russian Revolution of 1917, which created a Soviet Russia with a profoundly different economic and ideological state to the capitalist and democratic West. The ensuing civil war, in which Western powers unsuccessfully intervened, and the creation of Comintern, an organization dedicated to the spreading of communism, globally fuelled a climate of mistrust and fear between Russia and the rest of Europe/America.
