Bobby Orr, born in Parry Sound, Ontario, in 1948, played for the Boston Bruins from 1966 through 1976, and helped lead the Bruins to the Stanley Cup championship in 1970 and 1972, and to the finals in 1974. He also played two years for the Chicago Blackhawks.

Amazon.com: Orr: My Story (9780399161759): Orr, Bobby: Books

Orr is a former professional hockey player who played in the National Hockey League from 1966 to 1978. Orr played for two teams: the Boston Bruins and the Chicago Blackhawks. Considered one of the greatest players of all time, Orr's career was cut short by multiple knee injuries and surgeries.

Orr: My Story - Wikipedia

Praise for Orr: My Story "This is a book more about a man than about a hockey player...Epic and noble."--The Atlantic "A must-read for anyone...who fondly remembers the glory years of the Big Bad Bruins."--The Sun Chronicle

Orr: My Story is about one of the greatest hockey players to ever live and play, Bobby Orr. This novel goes deep into Orr's childhood and all the way to his retired life. I would recommend this book to anyone who likes hockey or sports, but it does feel a little long at times.

Orr: My Story by Bobby Orr

"Orr my story" can be summarized as Bobby Orr's road to the NHL, going from a nobody from Parry Sound, Ontario to one of the biggest names to ever play the game. He talks about the days where he was a kid playing pond hockey, to moving away from home to play for the Oshawa generals, and eventually to his retirement.

Orr: My Story by Bobby Orr, Paperback | Barnes & Noble®

One of the greatest sports figures of all time breaks his silence in a memoir as unique as the man himself. He has never written a memoir, authorized a biography, or talked to journalists about his past, but now he is finally ready to tell his story. Bobby Orr is often referred to as the greatest ever to play the game of hockey.

Orr Quotes Showing 1-26 of 26 "Always remember that those who are closest to you will be affected by your dreams. Somewhere along the way, they will undoubtedly have to sacrifice something in order to help you realize your goals." ? Bobby Orr, Orr: My Story

One of the greatest sports figures of all time at last breaks his silence in a memoir as unique as the man himself. Number 4. It is just about the most

common number in hockey, but invoke that number and you can only be talking about one player -- the man often referred to as the greatest ever to play the game: Bobby Orr. From 1966 through the mid-70s he could change a game just by stepping on the ice. Orr could do things that others simply couldn't, and while teammates and opponents alike scrambled to keep up, at times they could do little more than stop and watch. Many of his records still stand today and he remains the gold standard by which all other players are judged. Mention his name to any hockey fan - or to anyone in New England - and a look of awe will appear. But skill on the ice is only a part of his story. All of the trophies, records, and press clippings leave unsaid as much about the man as they reveal. They tell us what Orr did, but don't tell us what inspired him, who taught him, or what he learned along the way. They don't tell what it was like for a shy small-town kid to become one of the most celebrated athletes in the history of the game, all the while in the full glare of the media. They don't tell us what it was like when the agent he regarded as his brother betrayed him and left him in financial ruin, at the same time his battered knee left him unable to play the game he himself had redefined only a few seasons earlier. They don't tell about the players and people he learned to most admire along the way. They don't tell what he thinks of the game of hockey today. Orr himself has never put all this into words, until now. After decades of refusing to speak of his past in articles or "authorized" biographies, he finally tells his story, because he has something to share: "I am a parent and a grandparent and I believe that I have lessons worth passing along." In the end, this is not just a book about hockey. The most meaningful biographies and memoirs rise above the careers out of which they grew. Bobby Orr's life goes far deeper than Stanley Cup rings, trophies and recognitions. His story is not only about the game, but also the age in which it was played. It's the story of a small-town kid who came to define its highs and lows, and inevitably it is a story of the lessons he learned along the way.

It's the story of a small-town kid who came to define its highs and lows, and inevitably it is a story of the lessons he learned along the way.

THE DEFINITIVE AUTOBIOGRAPHY OF A SPORTS LEGEND The NHL may never see anyone like Gordie Howe again. Known as Mr. Hockey, he led the Detroit Red Wings to four Stanley Cups and is the only player to have competed in the league in five different decades. In Mr. Hockey, the man widely recognized as the

greatest all-around player the sport has ever seen tells the story of his incredible life... Twenty consecutive seasons among the top five scorers in the NHL. One hundred points after the age of forty. Playing for Team Canada with his two sons. Gordie Howe rewrote the record books. But despite Howe's unyielding ferocity on the ice, his name has long been a byword for decency, generosity, and honesty off of it. Going back to Howe's Depression-era roots and following him through his Hall of Fame career, his enduring marriage to his wife, Colleen, and his extraordinary relationship with his children, Mr. Hockey is the definitive account of the game's most celebrated legacy, as told by the man himself. FOREWORD BY BOBBY ORR INCLUDES PHOTOGRAPHS

Starting with his jump from the Oshawa Generals to the NHL's Boston Bruins, Sports Illustrated began in-depth coverage of the career of Bobby Orr, a player who remains, over thirty years after his retirement, one of the greatest hockey players of all time. Orr completely changed the way hockey was played, taking it from a game of grinding defence to a rushing, high-scoring affair. Along the way, Orr set scoring records, won individual awards, and led his Bruins to two Stanley Cups before a bad knee began costing him games. He tried two major comebacks in the late seventies, showing a perseverance and dedication unmatched in the game, but ultimately was forced into an early retirement at the age of thirty. Number Four, Bobby Orr brings together the stories and photographs behind the career. The media-shy Orr rarely opened up to reporters, hiding his charitable works and his loyalty to his friends and teammates and letting his play speak for itself. This anthology brings together all SI's reporting on Orr, from the 1960s to his new career as a player agent in the 2000s, to form a comprehensive biography of one of the greats of the game.

Even hockey legends start with hand-me-downs. A beautifully illustrated true childhood story about hockey great Bobby Orr. Bobby eats, sleeps and breathes hockey. So when his birthday is coming up, he only wants one thing: new skates. He's seen the exact pair he wants in the shop window: sparkling blades, shiny leather, clean new laces tied in perfect bows. But when Bobby opens his gift, he's dismayed to find hand-me-down skates: scuffed leather, nicked blades, floppy laces. Once Bobby breaks them in, though, he and the hand-me-down skates become inseparable, and he can't imagine life without them . . . until the brand-new skates come into his life. How can he leave his hand-me-down skates behind? Log Driver's Waltz illustrator Jennifer Phelan brings this classic story to life with timeless, gorgeous art, and Kara Kootsra's words evoke the joy and dedication that Bobby Orr brought to his favorite sport. A perfect gift for readers and fans big and small, this book is destined to be a classic that is reached for time and time again.

The autobiography of one of hockey's first rebels and a beloved member of the "Big Bad Bruins," this book shares how Derek Sanderson's ferocious style helped lead the team to two Stanley Cup victories in the early 1970s. Living life in the fast lane, Sanderson grew his hair long, developed a serious drinking problem, and eventually found himself out of the league and prowling the streets for his next drink. In this autobiography, Sanderson comes clean on his life in hockey, the demons that threatened to consume him, and the strength and courage it took to fight his way back. Today a successful entrepreneur and speaker, Sanderson's incredible story is a must read for any fan of hockey.

Celebrate the 50th anniversary of the Boston Bruins' 1970 Stanley Cup championship season by reliving all the moments in Kooks and Degenerates on Ice. While the United States seethed from racial violence, war, and mass shootings, the 1969-70 "Big, Bad Bruins," led by the legendary Bobby Orr, brushed off their perennial losing ways to defeat the St. Louis Blues in the Stanley Cup Finals for their first championship in 29 years. In Kooks and Degenerates on Ice: Bobby Orr, the Big Bad Bruins, and the Stanley Cup Championship That Transformed Hockey, Thomas J. Whalen recounts all the memorable moments from that championship season. Behind the no-nonsense yet inspired leadership of head coach Harry Sinden, the once laughingstock Bruins became the talk of the sporting world. Nicknamed the "Big, Bad Bruins" for their propensity to out-brawl and intimidate their opponents, the team rallied around the otherworldly play of Bobby Orr and his hard-hitting teammates to take the NHL by surprise in a season to remember. Kooks and Degenerates on Ice brings to life all the colorful personalities and iconic players from this Stanley Cup-raising team. In addition, the season is placed into its historical context as the United States struggled with issues of war, race, politics, and class, making this a must-read for sports enthusiasts, hockey fans, and those interested in twentieth-century American history.
