This bestselling book is the bible in safety. It lists all the General Industry standard's in 1910 that a business must comply with.

As OSHA problems continue to become more expensive, and the consequences of non-compliance more severe, businesses are put at great risk. Luckily there is a reference every employer can use. This bestselling book is the bible in the safety industry. It has sold over 350,000 copies and is now in its 15th edition, and the need for simple explanations of OSHA regulations is no less today than it was 46 years ago when the OSH Act was created by Congress. This book is written in plain, easy to understand language, and covers everything a business person would need to know to comply with the OSHA regulations covering 29 CFR 1910 General Industry. We guarantee Its Right or your money back!
