Pabelika is a decent intro to the whole concept of point-and-click puzzle games. You have to "find" or pick up the various elements and tools you need, and figure out how to combine them or use them with your surroundings to get the results you need. The puzzles were pretty easy and also a bit repetitive.

The historical tales of Karyn Monk are filled with unforgettable romance and her own special brand of warmth and humor. Now love casts its spell in the Highlands, as a warrior seeks a miracle from a mysterious lady of secrets and magic... The Witch and the Warrior Suspected of witchcraft, Gwendolyn MacSween has been condemned to being burned at the stake at the hands of her own clan. Yet rescue comes from a most unlikely source. Mad Alex MacDunn, laird of the mighty rival clan MacDunn, is a man whose past is scarred with tragedy and loss. His last hope lies in capturing the witch of the MacSweens--and using her magic to heal his dying son. He expects to find an old hag....Instead he finds a young woman of unearthly beauty. There's only one problem: Gwendolyn has no power to bewitch or to heal. Now she must pretend to be a sorceress--or herself perish. But can she use her common sense to save Alex's son, and her natural powers as a woman to enchant a fierce and handsome Highland warrior--before a dangerous enemy destroys them both?
