What do we mean when we talk about reading? What does it mean to "teach reading?" What place does reading have in the college writing classroom? *Intertexts: Reading Pedagogy in College Writing Classrooms* theoretically and practically situates the teaching of reading as a common pedagogical practice in the college writing classroom. As a whole, the book argues for rethinking the separation of reading and writing within the first-year writing classroom--for an expanded notion of reading that is based on finding and creating meaning from a variety of

In twelve rich stories that move from smalltown Ontario to old-time Hollywood, from devotion in a tiny Irish parish to the three-ring piety of Lourdes, Stephen Finucan makes a startling appearance on the CanLit frontier. Finucan's vibrant characters face poignant battles with religion, courage, and daily life. In "On Angel's Wings" an apparition of the Virgin Mary is run down by a drunken Rotarian's El Camino on Founder's Day, and an eight-year-old boy struggles to understand the meaning of faith. In "The Honeymooners" an elderly man decides it's finally time to take his Alzheimer's-stricken wife on the vacation he's been promising her for sixty years. And in "Windows" a recent divorcee empowers herself through home renovation.

In these worlds, subtle gestures and minor events can suddenly turn lives in exactly the opposite direction of where they were supposed to lead.

Work and Employment in a Changing Business Environment is the definitive textbook for the new CIPD Advanced Level 7 module. It provides students with an understanding of the major contemporary trends in the HR business environment and discussion of significant areas of HR and Learning and Development (L&D) activity that derive from or are given additional prominence as a result of environmental developments. It provides students with an understanding of ways in which major, long-term environmental developments affect employment, work and people management in organizations as well as a thorough grounding in current and short-term developments in the people management environment. These areas include globalisation, technology, the economy, labour markets, society, politics, public policy and employment regulation. This book also includes expert coverage of how change, innovation and creativity can promote improvements in organisational productivity. Most importantly, this brand new textbook covers the key elements that students on HR masters courses will need in their future careers including flexibility, agility and resilience, productivity, ethics and values, sustainability, equality, diversity and inclusion, wellbeing and working internationally. Case studies and examples demonstrate how the theory applies in practice and pause and review boxes will help students think critically about the content. Work and Employment in a Changing Business Environment is ideal reading for all postgraduate students on both CIPD and non-CIPD accredited courses. Online supporting resources include powerpoint slides for every chapter.
