This "bible" of PalmPilot covers Palm III, as well as OEM models, such as the IBM Workpad. Dense with undocumented information, it contains hundreds of timesaving tips. The CD-ROM contains 850 free and shareware programs for the Pilot in a searchable FileMaker-based runtime database.

Discover the intriguing world of the leaf with this handy pocket guide. Beautifully illustrated throughout, The Little Guide to Leaves offers a fresh perspective on identifying the trees and plants around you. It features 40 of the most spectacular leaves from around the world, including the common British tree leaves we know and love, as well as exotic palms, ferns and houseplants. Each leaf has been delicately illustrated by printmaker Tom Frost to capture its individual characteristics, and is accompanied by information about the tree or plant to which it belongs and where it can be found, plus associated facts and fables. There is also an interactive spotter's guide at the back, where you can check off each leaf you find. This informative, practical and beautiful guide is part of a new nature series designed to encourage creativity through exploring the outdoors.

Illuminating illustrations—The clear and concise drawings make it that much easier for you to perfect the practice. With Palm Reading for Beginners, you'll see your life in ways you never thought possible.

From Florida's king of mayhem—"compulsively irreverent and shockingly funny" (Boston Globe) New York Times bestselling author Tim Dorsey—comes a diabolically madcap adventure featuring the indomitable Serge A. Storms. No one worships the Sunshine State as much as Serge A. Storms. Perpetually hunting Floridian arcana and lore, he and his permanently baked sidekick, Coleman, are on the road again. This time they're on a frenzied literary pilgrimage that leads them back to Riviera Beach, the cozy seaside town where the boys spent their formative years. Growing up, Serge was enthralled by the Legend of Riviera Beach, aka Darby, a welder at the port who surfed the local waves long before the hot spots were hot. A god on the water, the big-hearted surfer was a friend to everyone—the younger surfers, cops, politicians, wealthy businessmen and ordinary joes—a generosity of spirit that earned him the admiration of all. Meanwhile, there was a much murkier legend that made the rounds of the schoolyards from Serge's youth—that of the crazy hermit living in a makeshift jungle compound farther up the mysterious Loxahatchee River than anyone dared to venture. Then Serge moved away. But never forgot. Now he's back, with those legends looming larger than ever in the rearview mirror of his memory. As his literary odyssey moves north from Key West, closer and closer to his old stomping grounds, Serge digs into the past as only Serge can. Along the way, he unintentionally disturbs some long-forgotten ground, attracting the attention of a cast of villains that only Florida can produce. As the body count grows, so does the list of questions: Why are the guys in the hard hats worried about the monkeys? When do you hack a motel air-conditioner? How does Coleman get high with cat toys? Who is expecting the dildo? And will book tours ever be the same after Serge decides to check one out? Told in alternating flashbacks between Serge and Coleman's childhoods and the present day, The Pope of Palm Beach is a witty and deliciously violent delight from the twisted imagination of Tim Dorsey.

Early in the 1900s, one-time oil baron Henry Morrison Flagler took interest in the Southern coast of Florida and began developing an exclusive resort community. Establishing a railroad that would allow easier access to the area, he went on to build two hotels—his hope was that America's first families would come to populate the area. This modest community would later evolve into an iconic American destination, hosting British royalty, American movie stars, and becoming the home-away-from-home to some of the country's leading families. As the century continued, Palm Beach established itself as a luxury hideaway synonymous with old-world glamour and new-world sophistication. In this splendid volume, longtime resident and Palm Beach social fixture Aerin Lauder takes us through her Palm Beach. From favorite restaurants like Nandos and Renatos, to favorite houses like La Follia and Villa Artemis, she takes us to the elite shopping of Worth Avenue and the scenic walkways of the Lake Worth trail, all the while relating to us the histories, faces, and places that have become so identified with Palm Beach.
