You're an independent editor. That means you're a professional running a business. But you may not be a professional at running a business. You keep hearing that you should have a written contract with every client, but you don't have a good idea of what that contract should have in it, so you let it slide and hope you don't get burned. And when you look in books about running a small business, none of them seem to address your specific needs. *The Paper It's Written On* focuses on your specific needs, particularly when you are working with individual authors.

Author, editor, reader; Getting the most out of words; The editor's many tasks; Editing for the specialist; Reaching the nonspecialist; Illustrations; Design for publication; Introduction to-print production; Production management; The business side; Reaching the reader.

Revising and Editing for Translators provides guidance and learning materials for translation students and professional translators learning to revise the work of others or edit original writing, and those wishing to improve their self-revision ability. Revising and editing are seen as reading skills aimed at spotting problematic passages. Changes are then made to meet some standard of quality that varies with the text and to tailor the text to its readership. *Mossop* offers in-depth coverage of a wide

range of topics, including copyediting, stylistic editing, checking for consistency, revising procedures and principles, and translation quality assessment—all related to the professional situations in which revisers and editors work. This revised fourth edition provides new chapters on revising machine outputs and news trans-editing, a new section on reviser competencies, and a completely new grading scheme for assignments. The inclusion of suggested activities and exercises, numerous real-world examples, and a reference glossary make this an indispensable coursebook for professional translation programmes.

This book is intended to familiarize readers with the theoretical basis and practical applications of the editing process. This involves the examination of the rhetorical canons—invention, arrangement, style, delivery; and the corresponding rhetorical objectives of editing — accuracy, clarity, propriety, and artistry. We envision a diverse audience for this book. For aspiring editors, we offer an introduction to rhetorical principles as a vehicle for developing a repertoire of theoretically sound and effective strategies. For professionals—directors of communications, public relations specialists, experienced writers and editors of professional and technical publications — this book will serve as a reference and guide reinforcing their

intuitive understanding and appreciation of the art of editing.

'A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of *Writing Your Dissertation in Fifteen Minutes a Day*

'Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.' - Kathleen McHugh, professor and director of the UCLA Center for the Study of Women

Wendy Laura Belcher's *Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success* is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

professional documentary television and film. Working stage by stage through the postproduction process, author Sam Billinge explores project organization, assembling rushes, sequence editing, story structure, music and sound design, and the defining relationship between editor and director. Written by a working documentary editor with over a decade's worth of experience cutting films for major British and international broadcasters, *The Practical Guide to Documentary Editing* offers a unique introduction to the craft of documentary editing, and provides working and aspiring editors with the tools to master their craft in the innovative and fast-paced world of contemporary nonfiction television and film.

"This textbook aims to prepare university-level students for these expanded editing roles in an age of convergence. Thirteen authors examine both traditional editing roles and new editing needs to meet the demand of a changing industry. This textbook assumes nearly all media students will need competent editing knowledge to produce products of professional quality"--Provided by publisher.
