Kindness is the foundation of the world's great religions and most-enduring philosophies. Why, then, does being kind feel so dangerous? If we crave kindness with such intensity, why is it a pleasure we often deny ourselves? And why—despite our longing—are we often suspicious when we are on the receiving end of it? In this brilliant book, the eminent psychoanalyst Adam Phillips and the historian Barbara Taylor examine the pleasures and perils of kindness. Modern

people have been taught to perceive ourselves as fundamentally antagonistic to one another, our motives self-seeking. Drawing on intellectual history, literature, psychoanalysis, and contemporary social theory, this book explains how and why we have chosen loneliness over connection. On Kindness argues that a life lived in instinctive, sympathetic identification with others is the one we should allow ourselves to live. Bursting with often shocking insight, this brief and essential book will return to its readers what Marcus Aurelius declared was mankind's "greatest delight": the intense satisfactions of generosity and compassion.

"It's impossible to resist [this book's] big-hearted appeal." —BookPage A little girl and her friend Bear learn the true meaning of selfless kindness in this sweet, stunningly illustrated debut picture book. Bear is sad. All the other animals think he's mean because he's so big. But his human friend, Coco, offers to help him. Coco shares her grandmother's advice: "When life gets dark as winter's night, share some kindness, bring some light." They decide to bake cookies to "share some kindness" and make lanterns to "bring some light." But when the cookies and lanterns don't work, they must look for another way to win over the other animals. A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is

self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.
