of support, with children that are facing attachment or challenging behaviour issues, to get specialist training or read around therapeutic parenting techniques.

Managing challenging behaviour - Family Action

Maturation – Several parents indicated that one of their major challenges would be dealing with their children growing up. This was most often discussed in the context of older children (14+), and included ideas like driving, dating, entering a new school, less parental oversight, etc.

20 Best Book Parenting Challenging Children With Power ...

The power and influence of peer pressure and the principle of saving face is just as common amongst children as it is teenagers. Their attitude and behaviour can change when their siblings and/or friends are present. It is therefore important to consider removing the 'audience' from any exchanges with your child.
