A private detective is following the girl he is in love with. A former air force pilot, he is discovering some sides in the human nature he can't deal with. If you already have background with Spanish language, this book is the best one to try. It makes use of the ALARM Method to efficiently teach its reader Spanish words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Reinforces language learnt by revisiting and revising selected core language from Caminos 1. Teaches grammar in a systematic way, identifying patterns clearly and providing plenty of practice. The increasingly wide spread of attainment in the second year of language learning is covered by differentiation materials offering activities at two levels. Develops language learning skills with activities such as dictionary and pronunciation work.
