Now, before starting on the tips to ace the Physics Practical Paper 3, you should keep this thing in mind that most of the marks are for working, presentation and conclusions. So even if your practical work is not very accurate you should move to the tables, graph and working without wasting time in making it more accurate.

~~AS Level Physics Practical Paper 3 | GCE Guide~~

Notes on the Alternative to Practical Paper 1. This paper is an alternative to a practical exam, not an alternative to a practical course. 2. The preparation for students is a well-designed practical course. 3. The course should teach candidates how to make measurements using many different types of instruments.
