Secondary characters, including Tante Lulu, Tee-John, and several Mafia goons add to the spice. I've always loved Sandra Hill's romances, mixed with humor and love. Little Jinx is a canny mockery of the Soviet world. Its author, Andrei Sinyavsky, a respectable member of the USSR's Institute for World Literature, was exposed in 1965 as the real author of a series of irreverent essays and fantastic tales that had been circulating under the nom de plume Abram Tertz. After five years in a labor camp he immigrated to Paris. Little Jinx is the tale of a man named Sinyavsky, a literary hack and runt who clumsily survives repression and anti-Semitism but

DO DREAMS COME TRUE? Kirstin Magnusson is haunted by dreams of a fierce Viking warrior in a cage, being tortured and humiliated by his Saxon captors. Is it a fantasy, or a cry for help? ABOUT NIGHTMARES? Once called Hauk the Handsome, Hauk Thorsson is far from it these days, having lived in a filthy Saxon cage for over six months. All because he allowed grief over the death of his son to distract him. However, Hauk has a plan to escape soon and join the approaching army of Sweyn Forkbeard...until that lackbrain woman arrives and causes nothing but trouble. BUT SOME DREAMS END HAPPILY EVER AFTER: All right, it depends on the definition of "ever after." And mayhap it wasn't the best idea for Hauk to kidnap Kirstin, but she'd said she needed time; so, he was just doing what she wanted, sort of.

New York Times and USA Today bestselling author Cynthia Eden brings a red-hot tale of second chance romance between two unlikely lovers. Life is too short not to have one hell of a good time. Jinx lives for his good times. With a ready smile and quick joke, his charm carries him through most rough situations. And when his grin doesn't work, he just uses the down and dirty skills he acquired working Special Forces to get the job done. Life is easy, his luck is perfect, and nothing will slow him down. Except maybe...her. It was a one-night stand she should forget. Alison "Ali" Carter does not have time for handsome playboys—not even the ones with killer blue eyes and abs that last for days. Sure, she might have given in just one time and let her desire for Jinx take over, but she is not about to repeat that mistake, no matter

how great the night was. She's down on the Gulf Coast for a week of sun and relaxation. Jinx isn't part of the plan. Until he is the only plan. Trouble has followed Ali down to the coast. On her last classified mission, she acquired a most dangerous stalker. The kind of guy that you can't ditch, no matter how hard you try. The kind of guy who can scare a woman to death. And to help Ali deal with him? A most unlikely hero offers up his services. He wants his second chance. When Ali walked away from Jinx, it shouldn't have hurt. He should have forgotten her and moved on. But since that fateful night, she's been in his head. Been tormenting his dreams. So when she appears in his PI office and she's in danger? Jinx immediately leaps into action. He'll show Ali that he's more than just a fast grin. This time, it's not about

being lucky. This time, it's about protecting Ali and maybe, just maybe...winning her heart. Author's Note: Jinx is about to get lucky. He's getting a second chance with the woman who slipped through his fingers, and he isn't about to let her vanish again. Ali thinks he doesn't take life seriously, and she may just be right. But, when it comes to Ali's safety, Jinx will go all in to prove that he's the man she needs. Danger doesn't scare him. Behind his grin, he's ice cold and willing to do whatever it takes to protect the one woman who slipped past his guard. Action, romance, danger, and fun are waiting in JINXED, YOU'RE IT.
