Making Sense of World
History is a
comprehensive and
accessible textbook that
helps students
understand the key
themes of world history
within a chronological
framework stretching

Where To Download

from ancient times to the present day. To lend coherence to its narrative, the book employs a set of organizing devices that connect times, places, and/or themes. This narrative is supported by: Flowcharts that show how phenomena within diverse broad themes interact in generating key

Where To Download

processes and events in world history. A discussion of the common challenges faced by different types of agent, including rulers, merchants, farmers, and parents, and a comparison of how these challenges were addressed in different times and places. An exhaustive and balanced treatment
