Policy and
Procedure
Documents*

Every company needs a policies & procedures manual to guide its operations, strategy, and workflow. Where policies set the expectation for

Get Free Policy And Procedure

employee behaviors, the procedures outline the steps for it. This ensures consistency in practice and helps in maintaining quality output.

*Policy and
Procedure*

Page 15/47

*Manual: What,
Why and How?*

A policy is a set of general guidelines that outline the organization's plan for tackling an issue. Policies communicate the connection between the organization's

Get Free Policy And Procedure

vision and values and its day-to-day operations. A procedure explains a specific action plan for carrying out a policy.

GOV.UK*

Your policy and procedure manual defines the rights and obligations of the employee and the employer.

The policy manual is a written expression of the rules

Get Free Policy And Procedure

governing the employer/employee relationship. It is essential, today more than ever, for a company to protect its rights within that relationship by policies that are both fair and legal.
