~~Porsche 928: Essential Buyers Guide (Essential Buyer's ...~~

In 1990, Porsche had three model ranges: the 911, 928 and 944. The 911 had just been updated as the 964. Despite a modest update for 1990, Porsche held US 928 prices at the same level. The 928 was past its sell by date, and Stuttgart knew it. That left the 944. The 944 had evolved from the 924, designed in the early 1970s.

Lavishly illustrated with full-colour digital photography, this is the inside story of the car designed to replace the iconic Porsche 911.

The Illustrated Buyer's Guide Porsche provides enthusiasts with information and insight helpful to identifying desirable models and avoiding problems as they search for their ideal Porsche. Adding new material and revising previous information, this book covers all the Porsche models through 2010, including the last of the air-cooled 911s, the water-cooled 911s, Cayenne, Cayman, Boxster, and Panamera.

This is the complete guide to finding the best available example of the classic front-engined Porsche 944. Insight from real ownership experience is coupled with unparalleled technical knowledge, resulting in the first dedicated guidebook for potential buyers of the Porsche 944. A comprehensive guide, including an inspection checklist that buyers can use when viewing a car, photos of key areas to check, and known issues for each model, and an overview of key specifications and potential upgrades. Market and value data are also supplied to help give an idea of what a specific Porsche 944 is worth. From whether a Porsche 944 is a suitable car for you, to the cost considerations to be taken into account when searching for and viewing a used model, the authors' aim to arm the prospective buyer with enough knowledge and insight to be able to view a used Porsche 944, and quickly assess its quality, before considering whether to make a purchase. Take the first step towards finding your dream car, by reading this guide today.

A small investment in this book could save you a fortune. With the aid of this book's step-by-step expert guidance, you'll discover all you need to know about the 928 you want to buy. A unique point system will help you to place the car's value in relation to condition. This is an important investment-don't buy a car without this book's help.

Buying advice, photos and a five-star rating system for every model from 1947's groundbreaking 356 to the incredible Boxster.

The 924 Carrera was a homologation model built to qualify the 924 model to race in Group 4. One of the great supercars of the 1980s, the 924 Carrera was considered by many to have better handling characteristics than Porsche's flagship 911. The book features interviews with many of those involved with the car at the time together with race stories, statistics, and a unique exposé of component failures during racing.
