PoseBook 3D by Silver - Apps on Google Play
I specifically bought the PoseBook for the timed poses option, and I actually love this! Before getting the app, I've been finding photos online, generating random numbers, and using that number to pick a pose from my collection to draw for the next 15 seconds to minute before generating the next random number. This is a great step up! Some things I wish were included in this aspect: - 15 ...

Posebook - SHOES
Posebook 3D 0.00 My goal for developing PoseBook 3D was to create a self-controlled tool for artists to practice their construction and rotation of heads. Not only will it be a great tool to give you a better understanding of how forms move in space, but it will teach you how to draw the same head from multiple angles.
