Practical Mediation: A Guide for Mediators, Advocates ...

To use mediation effectively, though, can be challenging: advocates and advisers have much to learn. This manual is intended to guide mediators (new and old, neutral and bold), advocates, advisers, and students on the path to know and apply mediation skills, and to use the tools to internationally accepted standards.

Practical Mediation: A Guide for Mediators, Advocates ...

Mediation is an art not a science. It is for conversations not forced conversions. A process for problems and possibilities. As a process, it can be taught, learned, and applied. It is a tool, one of many, for people to use or abuse at their pleasure, or in their ignorance, as they interact
