Virtual Occupational Therapy Activities - Preschool Weeks ... Occupational Therapists help preschoolers get ready for kindergarten by helping them build important fine motor, sensory processing and social skills. Many parents worry about their child “ appearing different ” or “ standing out ” , however if the foundational kindergarten readiness skills are not addressed early on, kids may struggle more later on, and their problems will become even more noticeable.

Occupational Therapy Preschool Screening Checklist- FREE ... Here is an example of a SMART goal using the Common Core Standards for a kindergarten student (CCSS.ELA-Literacy.SL.K.5).

Pre School Occupational Therapy Smart Goals Occupational therapy is goal-oriented. Our clients may want to bear a certain weight with their arms. They may work towards returning to work full-time. Perhaps, they want to be able to go about their daily routines as independently as possible. We use SMART goal-planning to make that happen.
