I've been a big Predator fan since the 1st movie came out. I really enjoyed watching them square off against the Aliens, another franchise I've enjoyed over the last few decades. When I was looking for another AVP book, which are very few and far between, I read the reviews about Predator South China Sea.

Some Predator Synopsis... Somewhere in the South China Sea, between Thailand and Indonesia... Sukhon Dithakar and her crew of fellow pirates (aboard an old but fast converted fishing vessel, registered to Liberia) can see their target: a product tanker out of Singapore, loaded with computer parts.

~~Some Predator Synopsis... - Jeff VanderMeer~~

Like the three before him, VanderMeer is a man who knows how to do Predator and has given us, in my opinion, the best of the Predator novels yet. Like Turnabout and Flesh and Blood, the main highpoint of South China Sea is its characters. We 're thrown in with a bunch of
