Project Management: The Managerial Process: Larson, Erik ...
Project Management, 8e provides a holistic and realistic approach to Project Management that combines the human aspect and culture of an organization with the tools and methods used. It covers concepts and skills used to propose, plan, secure resources, budget and lead project teams to successful completion of projects. This text is not only on how the management process works, but also, and more importantly, on why it works. It 's not intended to specialize by industry type or project scope ...
