Journal Club - Psychiatry Residency Subject Guide ...

Abstract Almost all psychiatric training programmes include a journal club. These clubs are experiencing a revival as a result of the introduction of a critical review paper into Part II of the MRCPsych examinations. Successful clubs are generally those with a single designated leader and mandatory attendance; provision of food is also helpful.

Journal Club — Department of Psychiatry

Journal clubs are educational meetings where individuals meet regularly to critically evaluate recent articles in the scientific literature. They have often been cited as a bridge between research and practice, as they encourage the application of research in clinical practice. 1

Journal clubs | The BMJ

Regarding journal club, the first question is--what is the purpose of reading the article? Is it to learn to read and interpret research? Or to understand a clinically-important topic? Or to understand an important and/or controversial study? My thought is that journal clubs should select one of the following: 1. Practice guidelines. 2. High-yield review articles on clinically-important ...
