WordPress.com; Beyond the Human: A Ghost Story and Samuel Beckett's Quad. The 2017 film, A Ghost Story, is a remarkable meditation on death and loss that somehow manages to make those themes appear fresh and alive. The primary conceit that facilitates this is the decision to keep the main character (who dies early on) draped in a white sheet for the remainder of the film. On the face of it a ...

Quad – Corse Present

Quad is described as follows in the Grove Companion to Beckett: “Four figures, each in pastel djellabas, appear to describe a quadrangle to a rapid, polyrhythmic percussion, then depart in sequence”. Initially, one figure traverses the course, then another joins in, building to four, and then they exit one by one, as each finishes his/her pattern, leaving one figure continuing, and ...

Beckett used number as language as a structure to build a choreography. In Quad the centre, as an empty spatial object, became the “zero degree of movement” over which the actors never crossed. Quad became an opportunity to discover and trace a path, the geographic movement of the zero from its Eastern origins to the West, but my desire was to try to take the opposite route.

Quad displays how Beckett's Minimalism is defined by a sort of rigidity and order (which seems quite surprising considering he is considered an absurdist playwright). It is in following his detailed instructions to a tee that the performer realises just how many decisions there are still left to make within the performance. As is the case with Saroyan's Concrete Minimalism, it is through ...

About the Conference. In April 1981, having devoted considerable time to resolving the technicalities that surrounded his TV play Quad, Samuel Beckett confessed to Ruby Cohn: "Not long back from Stuttgart. Unsatisfactory. Television is beyond me." Frustrating as it may have been at times, technology held its fascination for Beckett and often became enmeshed with his work.
