“ In his compelling new book, *Radical*, David Platt delivers a powerful picture of the church in America today that, on key points, stands in sharp contrast to what the Bible shows us about the person and purpose of Jesus Christ. David challenges Christians to wake up, trade in false values rooted in the American dream, and embrace the notion that each of us is blessed by God for a global purpose—to make Christ ’ s glory known to all the nations!

Book Review: Radical by David Platt. May 12, 2010. by Marla Saunders. You and I can choose to continue with business as usual in the Christian life and in the church as a whole, enjoying success based on the standards defined by the culture around us. Or we can take an honest look at the Jesus of the Bible and dare to ask what the consequences might be if we really believed him and really obeyed him.

This is a book to feast on, with an amazing array of topics and a host of world-renowned authors. Its fascinating and informative history of the radical university is a powerful challenge to the new framing of university education, reinvigorating debates on the purpose of HE, and its relationship to democracy both within and beyond the university.

Personal study guide for this 6 session, small group Bible study by David Platt that looks at what Jesus said about being His disciple.

Examines the ways in which the gospel is contradicted by the American dream and challenges Christians to join in a one-year experiment in authentic discipleship that promises spiritual transformation through the word of God.

WHAT IS JESUS WORTH TO YOU? It's easy for American Christians to forget how

Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... BUT WHO DO YOU KNOW WHO LIVES LIKE THAT? DO YOU? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. (From the 2010 edition)"

Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism, delivered to produce better results and help employees develop their skills and boundaries of success. Great bosses have a strong relationship with their employees, and Kim Scott Malone has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. *Radical Candor* offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience,

and distilled clearly to give actionable lessons to the reader, Radical Candor shows how to be successful while retaining your integrity and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people both love their work, their colleagues and are motivated to strive to ever greater success.

New York Times best-selling author David Platt takes readers on a heart-wrenching, soul-searching journey through impoverished villages in the Himalayan mountains. With riveting passion and surprising vulnerability, Platt dares readers to make a difference in a world of urgent need, starting right where they live. While leading a team on a week-long trek of the Himalayas, bestselling author and pastor David Platt was stunned by the human needs he encountered, an experience so dramatic that it "changed the trajectory of my life." Meeting a man who'd lost his eye from a simple infection and seeing the faces of girls stolen from their families and trafficked in the cities, along with other unforgettable encounters, opened his eyes to the people behind the statistics and compelled him to wrestle with his assumptions about faith. In *Something Needs to Change*, Platt invites readers to come along on both the adventure of the trek, as well as the adventure of seeking answers to tough questions like, "Where is God in the middle of suffering?" "What makes my religion any better than someone else's religion?" and "What do I believe about eternal suffering?" Platt has crafted an irresistible message about what it means to give your life for the gospel--to finally stop talking about faith and truly start living it. Advance praise for

Something Needs to Change "Rugged. Authentic. Gritty. Real. Worshipful. There are no other books like this one. I always pick up David's books with a sense of excitement and, quite honestly, apprehension--because I know that areas of compromise and complacency in my life are going to be exposed. But this book exceeded even my high expectations, for which I am grateful. And so will you be. As David writes, it's time to run, not walk. Let's go."--J. D. Greear, president of the Southern Baptist Convention "Extraordinary and challenging. I've just never read a book like this before. I am so moved. Bring your full heart to this story and watch how God opens your eyes, changes your mind, and broadens the dreams you have for your life."--Annie F. Downs, best-selling author of 100 Days to Brave and Remember God "If you dare to read this book, you might just have an unexpected encounter with Jesus that leaves you weeping on the floor, as David's experience did. Something changes within us when the seemingly overwhelming needs of the world present themselves simply in the life of a single person. Ultimately, I pray your compassion will be transformed to action."--Santiago "Jimmy" Mellado, president and CEO of Compassion International

Challenges Christians to unite into communities of faith living in accord with the gospels in order to achieve God's purpose in the world for his greater glory.

like. They would, Jesus said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you?

A bold call to deromanticize education and reframe universities as terrains of struggle between alternative modes of studying and world-making Higher education is at an impasse. Black Lives Matter and #MeToo show that racism and sexism remain pervasive on campus, while student and faculty movements fight to reverse increased tuition, student debt, corporatization, and adjunctification. Commentators typically frame these issues as crises for an otherwise optimal mode of intellectual and professional development. In *Beyond Education*, Eli Meyerhoff instead sees this impasse as inherent to universities, as sites of intersecting political struggles over resources for studying. Meyerhoff argues that the predominant mode of study, education, is only one among many alternatives and that it must be deromanticized in order to recognize it as a colonial-capitalist institution. He traces how key elements of education—the vertical trajectory of individualized development, its role in preparing people to participate in governance through a pedagogical mode of accounting, and dichotomous figures of educational waste (the “ dropout ”) and value (the “ graduate ”)—emerged from histories of struggles in opposition to alternative modes of study bound up with different modes of world-making. Through interviews with participants in contemporary university struggles and embedded research with an anarchist free university, *Beyond Education* paves new avenues for achieving the

aims of an “alter-university” movement to put novel modes of study into practice. Taking inspiration from Black Lives Matter, Occupy Wall Street, and Indigenous resurgence projects, it charts a new course for movements within, against, and beyond the university as we know it.

Mutual aid is the radical act of caring for each other while working to change the world. Around the globe, people are faced with a spiralling succession of crises, from the Covid-19 pandemic and climate change-induced fires, floods, and storms to the ongoing horrors of mass incarceration, racist policing, brutal immigration enforcement, endemic gender violence, and severe wealth inequality. As governments fail to respond to—or actively engineer—each crisis, ordinary people are finding bold and innovative ways to share resources and support the vulnerable. Survival work, when done alongside social movement demands for transformative change, is called mutual aid. This book is about mutual aid: why it is so important, what it looks like, and how to do it. It provides a grassroots theory of mutual aid, describes how mutual aid is a crucial part of powerful movements for social justice, and offers concrete tools for organizing, such as how to work in groups, how to foster a collective decision-making process, how to prevent and address conflict, and how to deal with burnout. Writing for those new to activism as well as those who have been in social movements for a long time, Dean Spade draws on years of organizing to offer a radical vision of community mobilization, social transformation, compassionate activism, and solidarity.

For better or worse, E.P. Thompson ' s monumental book *The Making of the English Working Class* has played an essential role in shaping the intellectual lives of generations of readers since its original publication in 1963. This collected volume explores the complex impact of Thompson ' s book, both as an intellectual project and material object, relating it to the social and cultural history of the book form itself—an enduring artifact of English history.
