Reading For The Body The Reading Comprehension Worksheet. Human Body. Your heart is really a muscle. It's located a little to the left of the middle of your chest, and it's about the size of your fist. There are lots of muscles all over your body - in your arms, in your legs, in your back, even in your behind. But this muscle is special because of what it does - the heart sends blood around your body.

Human Body: Reading Comprehension Worksheet
"Reading the Body" is not just a book about health and shiatsu; it is a guide to living well. The goal of Oriental diagnosis is to find unity of body, mind and spirit. It emphasizes that everyone has strengths and weaknesses and that accommodating one's weakness is as important as utilizing one's strength.
