Communication in the Real World: An Introduction to Communication Studies by Richard G. Jones, Jr. overviews the time-tested conceptual foundations of the field, while incorporating the latest research and cutting-edge applications of these basics. Each chapter will include timely, concrete, and real-life examples of communication concepts in action.

Communication in the Real World: An Introduction to ...

Communication Is Affected by Biology} You're likely to encounter a number of intuitive research findings as you study interpersonal communication, and your intuition is probably right most of the time. Intuition fails us on occasion, however, which is one reason why the systematic study of communication is so useful.
