The sexy continuation of the New York Times bestselling Reapers Motorcycle Club series As Reapers Motorcycle Club president, Reese " Picnic " Hayes has given his entire life to the club. After losing his wife, he knew he ' d never love another woman. And with two daughters to raise and a club to manage, that was just fine with him. These days, Reese keeps his relationships free and easy—he definitely doesn ' t want to waste his time on a glorified cleaning lady like London Armstrong. Too bad he ' s completely obsessed with her. London is independent, and she likes it that way. Besides running her own business, London ' s got her junkie cousin ' s daughter to look after—a more reckless than average eighteen-year-old. Sure she ' s attracted to the Reapers ' president, but she ' s not stupid. Reese Hayes is a criminal and a thug. But when her young cousin gets caught up with a ruthless drug cartel, Reese might be the only man who can help her. Now London has to make the hardest decision of her life—how far will she go to save her family?

New York Times bestselling author Joanna Wylde returns to the " wild and raw " * world of the Reapers MC with the story of Gage and Tinker... The club comes first. I ' ve lived by those words my whole life—assumed I ' d die by them, too, and I never had a problem with that. My Reaper brothers took my back and I took theirs and it was enough. Then I met her. Tinker Garrett. She ' s beautiful, she ' s loyal, and she works so damned hard it scares me sometimes...She deserves a good man—one better than me. I can ' t take her yet because the club still needs me. There ' s another woman, another job, another fight just ahead. Now she ' ll learn I ' ve been lying to her all along. None of it ' s real. Not my name, not my job, not even the clothes I wear. She thinks I ' m nice. She pretends we ' re just friends, that I ' ve still got a soul...Mine ' s been dead for years. Now I ' m on fire for this woman, and a man can only burn for so long before he destroys everything around him. I ' m coming for you, Tinker. Soon.

Liam " Hunter " Blake hates the Reapers MC. Born and raised a Devil ' s Jack, he knows his duty. He ' ll defend his club from their oldest enemies—the Reapers—using whatever weapons he can find. But why use force when the Reapers ' president has a daughter who ' s alone and vulnerable? Hunter has wanted her from the minute he saw her, and now he has an excuse to take her. Em has lived her entire life in the shadow of the Reapers. Her overprotective father, Picnic, is the club ' s president. The last time she had a boyfriend, Picnic shot him. Now the men in her life are far more interested in keeping her daddy happy than showing her a good time. Then she meets a handsome stranger—a man who isn't afraid to treat her like a real woman. One who isn't afraid of her father. His name is Liam, and he ' s The One. Or so she thinks.

Marie doesn't need a complication like Horse. The massive, tattooed badass biker who shows up at her brother's house one afternoon doesn't agree. He wants Marie on his bike and in his bed. Now. But Marie just left her abusive jerk of an ex-husband and she's not looking for a new man. Especially one like Horse. She doesn't know his real name or where he lives. She's ninety percent certain he's a criminal and that the "business" he talked with her brother wasn't website design. She needs him out of her life, which would be a snap if he wasn't so damned sexy. Horse is part of the Reapers Motorcycle Club, and when he wants something, he takes it. What is he wants is Marie, but she's not interested in becoming some biker's property. Then her brother steals from the club. Now Marie can save him by giving Horse what he wants—at home, in public, on his bike... and if she's a very, very good girl, he'll let her brother live.
